... helps all.

DEAR FELLOW SHAREHOLDERS:

Community. To us, it's everything.

AT BANK OF ANN ARBOR, WE FIRMLY
BELIEVE STRONG COMMUNITIES ARE THE
BEDROCK OF A STRONG BANK. To a great
degree, our success is directly linked to the
prosperity and vibrancy of the communities
we serve.

Bank of Ann Arbor proudly supports customers, homebuyers, investors, entrepreneurs, businesses, nonprofits, and charities. We lend a helping hand to preschools, senior centers, healthcare facilities, homeless shelters, and animal shelters. We provide important financial support to sports teams and theaters, symphony orchestras and ice festivals, summer music festivals and tech symposiums, for cancer research and environmental preservation. In fiscal year 2024, we continued to provide much needed support in our communities while having our own success as a bank.

Strong communities are the bedrock of a strong bank.

IN 2024, OUR EARNINGS REACHED \$45.9 MILLION, AN ALL-TIME HIGH and an increase of 2.3% over the prior year. The outstanding effort of our entire team of the World's Best Bankers, who faced significant challenges throughout the year, made it happen. The board recognized the strength in earnings, capital position, and overall performance of the bank and approved a dividend of \$2.75 per share, a 10% increase over 2023.

Our colleagues at the bank were laser-focused on growing revenue, maintaining strong credit quality, and carefully managing operating expenses to offset growth in interest expenses, which increased by \$16.2 million, or 43.5%, over the prior year.

2024 earnings: \$45.9 million, our most ever.

Our Commercial Lending Group, with support from our Trust and Investment Management Group, helped power year-over-year revenue growth of \$17.4 million. By any standard, it was an excellent year for both groups.

Commercial fee income increased by 13%.

Our Commercial team increased average outstanding loans in the portfolio by \$94 million to \$1.938 billion. Fee income increased 13%, or nearly \$500,000, to an all-time high of \$4.4 million. These exemplary results were made possible by 3,706 client calls, 1,850 prospect calls, 1,453 centers-of-influence calls, and by attending 1,180 outside functions. Investing time and energy in these ways leads to stronger client relationships and greater use of other products and services offered by the bank. We are proud of our lending team and their outward marketing efforts, and the ironclad relationships they've forged with their client base.

The board approved a dividend of \$2.75 per share, 10% higher than last year.

IN 2024, OUR TRUST AND INVESTMENT MANAGEMENT TEAM ACHIEVED RECORD **REVENUE OF \$10.8 MILLION,** a 12% increase over the prior year. Total assets eclipsed \$2.5 billion thanks to 41 new clients and their \$88 million in assets. In addition, \$29 million in new assets came from existing clients. In 2024, we introduced enhanced financial planning software tools that enables us to generate real-time scenario analysis. We continue to scale our investment management process and increase efficiency and tactical flexibility. Our fiduciary practice generated more than \$460,000 in estate settlement revenue, an increase of 138% over the prior year and a record high. The group's focus continues to be on comprehensive wealth management for every aspect of our clients' financial lives.

We continue to outperform the industry on many credit metrics.

UNIFI EQUIPMENT FINANCE, OUR WHOLLY OWNED SUBSIDIARY specializing in smallticket equipment financing, generated recordlevel earnings for the fifth consecutive year of
more than \$3.5 million. The line of credit we
extended to UniFi added \$9 million in interest
income to the bank. UniFi generated an alltime high in new lease originations of \$142
million, a \$38 million increase from the prior
year. Credit quality at UniFi continues to shine.
Their past due leases and net charge-offs
significantly outperform the overall equipment
finance industry. The team at UniFi is firing on
all cylinders.

For the fifth straight year, UniFi's earnings were higher than the year before.

Effectively managing the credit quality of the bank's loan portfolio continues to help make our exceptional performance possible as we continue to outperform the industry on many important credit metrics. According to the most recent publicly available reports from the FDIC, Bank of Ann Arbor had past due loans (noncurrent loans to total loans) of just 0.20% compared to 0.98% for all banks in the United States. Improving economic and lower interest rate forecasts resulted in a lower provision for credit losses, known as Current Expected Credit Losses (CECL). This resulted in higher earnings in 2024.

OUR EFFICIENCY IN MANAGING OPERATING

efficiency ratio, a leading banking metric measuring how much it costs to generate one dollar in revenue. Our ratio, at 52.67%, is in the top 10% of all Michigan banks and 15% of all U.S. banks. In 2024, we focused on growing revenue, maintaining exceptional credit quality, and shrewdly managing operating expenses. We succeeded. The bank continues to be highly profitable and high performing. The FDIC recently determined our ratio of profitability, the return on assets, to be 1.58%, which is 41% better than the entire industry's 1.12%.

We're well prepared for the challenges 2025 could bring.

IN 2025, WE ANTICIPATE A DYNAMIC FINANCIAL LANDSCAPE IMPACTED BY

of the broader economy will be driven by consumer spending and business investments. Interest rates are projected to stabilize, making for a more predictable environment for both borrowers and lenders. While the new administration's policies of less business regulation will be good for the banking industry, there has been an uptick in inflation expectations driven by concerns regarding the impact of tariffs and a possible global trade war. At Bank of Ann Arbor, we're well prepared to adapt to these changes to ensure we continue to meet the needs of our clients and communities effectively.

CONGRATS TO OUR WORLD'S BEST

BANKERS for successfully responding to every challenge 2024 presented. And much thanks to our board of directors, shareholders, clients, and members of each of the communities we serve. We look forward to working together to deliver a strong performance again in 2025. Thank you for your continued support and trust in our vision.

Tim Marshall Bell Martin

Sincerely, Tim and Bill
