Bank of Ann Arbor Selected as One of Michigan's Best and Brightest in Wellness[®]

Ann Arbor, Michigan, September 25, 2017 – Bank of Ann Arbor is pleased to announce its selection as one of Michigan's Best and Brightest in Wellness[®]. The Best and Brightest in Wellness[®] awards program is the premier program honoring companies and organizations that recognize and celebrate quality and excellence in health and wellness.

“We are super excited to have our successful wellness program recognized for its positive contribution to the health and well-being of all of our colleagues at the Bank of Ann Arbor,” said Tim Marshall, President and CEO. “Over the past nine years, our wellness program has created a strong culture of health, fitness, and nutrition throughout the bank. So much so that when we planned an extensive remodel of our headquarters building in downtown Ann Arbor, we chose to carve out space for a full fitness center that our employees can use anytime.”

The Bank of Ann Arbor wellness program provides a significant discount on health insurance to participating employees and their spouses. Free fitness classes, wellness workshops, sponsorship of walks, runs, and races, access to nutrition advisors and more make the Bank of Ann Arbor wellness program one of the best among banks. Employee participation generally ranges in excess of 90%.

Bank of Ann Arbor along with the other winning companies will be honored at a symposium and awards gala on October 20, 2017 at The Henry Autograph Collection Hotel in Dearborn. The Best and Brightest in Wellness[®] winners were evaluated by SynBella, the nation's leading wellness provider.
